

# 'THE CAUSES AND THE CURES FOR THE PRESENT ECONOMIC CRISIS'

**USF Welcomes**

**Prof. Walter E. Block, Ph. D.\***

**\*The Harold E. Wirth Eminent Scholar Endowed Chair and Professor in Economics at Loyola University, Adjunct Scholar at the Mises Institute and the Hoover Institute.**

An eminent Austro-libertarian economist, Block has authored 7 and edited 14 books. He has contributed 300 articles and reviews to scholarly refereed journals and has written over 1000 op ed articles, newspaper columns, chapters in books, etc.

**Commentary provided by:**

**USF Economics Professor Hartmut Fischer, Ph. D**

Dr. Fischer served as a consultant to the World Bank and the European Union. His research interests include economic problems faced by countries in transition from socialist market economies, country risk analysis, issues of governance, the process of convergence vs. divergence between poor and rich countries, international trade, migration, and capital flows.
