Tomorrow today will be yesterday, so why worry about the past?

“Today is the tomorrow you worried about yesterday”

I have just a little minute, only sixty seconds in it.
Forced upon me, can't refuse it,
Didn't seek it, didn't choose it.
But it's up to me to use it,
Give account if I abuse it.
I have just a little minute but eternity is in it.

“Time is too slow for those who wait, too swift for those who fear, too long for those who grieve, too short for those who rejoice, but for those who love, time is eternity”—Henry Van Dyke, American short-story writer, poet and essayist, 1852-1933.

“The only reason for time is so that everything doesn't happen at once”—Albert Einstein

“You can't change the past, but you can ruin the present by worrying about the future”

“We all have our time machines. Some take us back, they're called memories. Some take us forward, they're called dreams”—Jeremy Irons, British Actor, b.1948
